Mayor Carpenter called the meeting to order.

Mayor Daniel Carpenter

Deputy Mayor Jason Young

Trustee Bryan Drew

Trustee Whitney Colvin

Trustee Tim Lebaron

In addition to the adoption of the general fund and sewer fund budgets, this meeting addressed the issue of the sub-lease of the youth center.

Mayor Carpenter clarified to the board and public that he had misspoken on the matter of the issue concerning the persons working at the youth center. He clarified that he should have stated that a resident had approached him to say that they had spoken to the individuals who were working at the youth center, and that he had not personally spoken to the persons working there himself.

He asked the board if they had any questions or comments regarding the youth center lease agreement. Trustee Colvin stated that after reviewing the finances he saw that there was a \$3,000.00 surplus from the prior year. He felt that the youth center should be for the youth of the village. He felt that if the youth center needed \$6,000.00 to remain solvent that he hoped the village could provide this for them. Trustee Drew stated that he liked the idea of supporting the youth center. Trustee LeBaron expressed concern that this could become a repetitive thing. He stated that he had not been made aware that there was a problem.

A person in the audience stated that she did fund raising for her job and also for the school and that she would be very happy to help. She was part of a group called, "Parents of Educational Partners.", This group raised 28,000.00 in one day. The youth center committee members, Joanne Scurba and Pat Temple, agreed to let her help them. Trustee Young apologized to the owners of, "My stuff, your stuff" stuff your stuff" for the complications that had arisen. He stated that he spent a lot of time at the youth center as a child, and that he wanted to ensure that the youth of the village could continue to enjoy the center.

Mayor Carpenter asked whether the board wanted to amend the lease or to consider the option that Trustee Colvin had offered. Trustee Colvin made a motion that he recommended that the board not amend the lease, Trustee Lebaron seconded the motion, Trustee Drew aye, Trustee Young abstained, Mayor Carpenter aye.

Trustee Colvin made a motion to pass the 2020 budget, Trustee Drew seconded the motion, all in favor.

Approval of the 2019-2020 Sewer budget.

The cost for operation and maintenance will be \$212,796.40, Sewer capital charge \$394,776.50 units non-school 4 billings, 3164, school billed once annually, 412 total for the year, making a total of 3576 billed per year. This will be a quarterly capital cost per unit of \$110.40, a quarterly operation and maintenance of \$59.51 for a total quarterly bill of \$169.90. The total annual cost per unit will be \$679.61. There was some discussion pertaining to sewer fund balance. There are some accounts that have allocated reserves for equipment and capital repairs, and some reserves that are unallocated.
