

# Fort Hardy Park Master Plan

Newsletter #3 - March 4, 2022

## Project Progress

The LA Group and its Project Team continues to lead the Village of Schuylerville and the Master Plan Advisory Committee (MPAC) through the Master Plan development process. Following last fall's Community Workshop and the completion of initial public outreach efforts, the Project Team was able to identify the priority waterfront and community revitalization projects. These features are directly based on the public's feedback from the workshop, completed community and youth surveys, and individual interviews of stakeholders, leaders, and community members. The MPAC has played a critical role in steering the project's direction.

In mid-February, Fort Hardy Park programming diagram alternatives were presented to the MPAC for review and selection. Each alternative proposed progressive upgrades to the Park through reorganization of existing features and circulation patterns, optimization or replacement of existing structures, and introduction of new infrastructure and amenities. After extended review and deliberation, the MPAC reached consensus and selected one alternative for further advancement by the Project Team.

In the weeks following the selection, the Master Plan has begun to form from the development of the Site Plan, phasing studies, and implementation strategies. The draft of the Master Plan will be presented to the public at the second and final public meeting on Wednesday, March 16, at the American Legion Hall Post 278 in Schuylerville.

Fort Hardy Park Draft Master Plan.

## An Invitation to Attend the Master Plan Public Meeting

The Village of Schuylerville, MPAC, and the Project Team would like to invite all members of the community to the Master Plan Public Meeting. The meeting will focus on presenting the Draft Master Plan's proposed improvements to Fort Hardy Park, recommended phasing and sequencing of the Park's future development, and implementation and funding.

### Community Workshop

Wednesday, March 16, 2022  
6:30 to 7:30 PM

American Legion Hall Post 278  
6 Clancy Street, Schuylerville, NY 12871

**The LA GROUP**  
Landscape Architecture & Engineering P.C.  
*People. Purpose. Place.*

**Department  
of State**

This Master Plan will be prepared with funding provided by the New York State Department of State under Title 11 of the Environmental Protection Fund.
